The Long Room

Located in Gonville Court, on the ground floor, this wood panelled room is ideal for meetings and drinks receptions, and is one of our most flexible rooms.

Gonville Court

Gonville Court is the third of our three college courts and is named after our original founder, Edmund Gonville. The east side of Gonville Court dates from 1490 and the north side from the 1750's. The perfectly manicured lawn and sunny aspect, offer the ideal location for an outdoor refreshment break.

We look forward to welcoming you to our event.
